U15 BC Field Lacrosse Regional Teams and Travel Program

INFORMATION

The objective of the U15 BC Field Lacrosse Regional Teams and Travel Program is to assemble and develop Men's Field U15 teams (athletes born 2002 and 2003) within the Pacific Coast Field Lacrosse League (PCFLL), the Vancouver Island Field Lacrosse League (VIFLL) and the Interior Field Lacrosse League (IFL). In addition to travel opportunities that athletes are offered by their own local field lacrosse association programs, the purpose of this program is to expose U15 players who wish to travel to tournaments who may not have this opportunity.

EXPENSES

The cost for training sessions to be held in the Fall/Winter 2016-17 with travel, and a uniform package (pinnie, shorts, socks and golf shirt) to attend tournaments within USA included in the costs involved. This cost will be set by January 1, 2017.

ELIGIBILITY/REGISTRATION

To be eligible for the U15 BC Field Lacrosse Regional Teams and Travel Program within your district boundaries, players must be registered to play Field Lacrosse through your local community association in the Sept 2016-Feb 2017 Field Lacrosse season, and must participate in the mandated amount of league games.

Players registered and playing community lacrosse can apply for the U15 BC Field Lacrosse Regional Teams and Travel Program. Players can apply for both Team BC and the Regional Team within their boundaries. However, players who make Team BC will be ineligible for participation in the U15 BC Field Lacrosse Regional Teams and Travel Program.

Each BC Regional team will set up and hold their own try-outs and training camps with minimum conflict as possible with league commitments. There will be no more than two (2) practices per month.
